AVIATION AND DEFENSE INDUSTRY CO., LTD

AHSS FXS-9

INTRODUCTION

Agaoglu Aviation and Defense Industry Co.,Ltd was established in 2011 to manufacture parts for the arms subsidiary industry. We produced Air Sports Pistols and Rifles, and supported other manufacturers in the sector with the standard manufactured parts up until 2016. We have turned our focus in our operations on the light weapons sector since 2016.

In 2017, Our company designed and produced two Shotguns, called R-5 and AR-12. They were our own design. We produced those shotguns and organized our company as the main / subcontractor in the defense industry projects upon receiving NATO SECRET Facility Security Certificate from Turkish Ministry of National Defense.

In 2020 we received our production permission license from Ministry of National Defence of the Republic of the Turkey and so we started to produce and export our 9x19mm pistol FXS-9 and AG-9.

MISSION

Agaoglu Aviation and Defense Industry Co.,Ltd is committed to designing and producing high quality,innovative ,ergonomic products that meet the expectations of the customers and to be the preferred company in the sector with a sustainable growth along with the dedicated customer service practices.

Our basic principle is to manufacture the best quality and innovative products and to promise their continuity since the day we were established.
